HUGE Success! Open House

After the World Ag Expo, we hosted a 3 dairy tour to view the crossbreds. It was a huge success! We had over 200 people here from all over the U.S. and visitors from Italy, Portugal, Sweden, Denmark, and France. Everyone was very impressed.

Are you getting "REAL" Swedish Red?

The seal of certified Swedish Red bulls proven in Sweden with extensive emphasis on Fertility, SCC, Longevity, and Calving Ease. If they are "REAL" Swedish Red bulls they will carry this trademarked logo. All bulls carrying this seal are available in the USA through Creative Genetics of California, Inc. and it's partners exclusively.
