Creative Genetics of California, Inc. takes home the award for the Best Booth at the World Dairy Expo in Madison, WI

Great News
Pictured Left to Right: Hans Stalhammar Svensk Avel, Ami Campbell Creative Genetics, Mike Osmundson Creative Genetics, Anders Anderson Dansire, Cindi Campbell Creative Genetics, and Stephane Fitamants Coopex

Creative Genetics of California, Inc. promoted crossbreeding at the World Dairy Expo along with our European partners from Sweden, Denmark and France. This year was by far one of the best. We had some of our dairymen stopping by the booth to tell us how much they love their crosses, and how much easier life is with them. All comments were positive!

Creative Genetics of California, Inc. buys the 1st Swedish Red heifer Sired by B Jurist, available at a public auction, at the World Dairy Expo in Madison, WI. She is a very nice heifer with 2 full brothers in A.I. in the USA.
